Miles and miles of road

often demand our utmost
attention to direction.
Bafflement and stumbling
may result
even when we earnestly seek
the way.

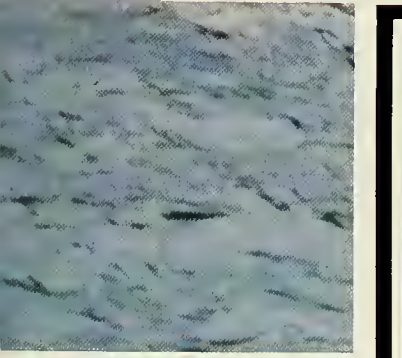

**Pausing to reflect on the journey,
we breathe deeply and muse.
“Are these paths we’ve chosen worthy of
our travel?” we ask.**

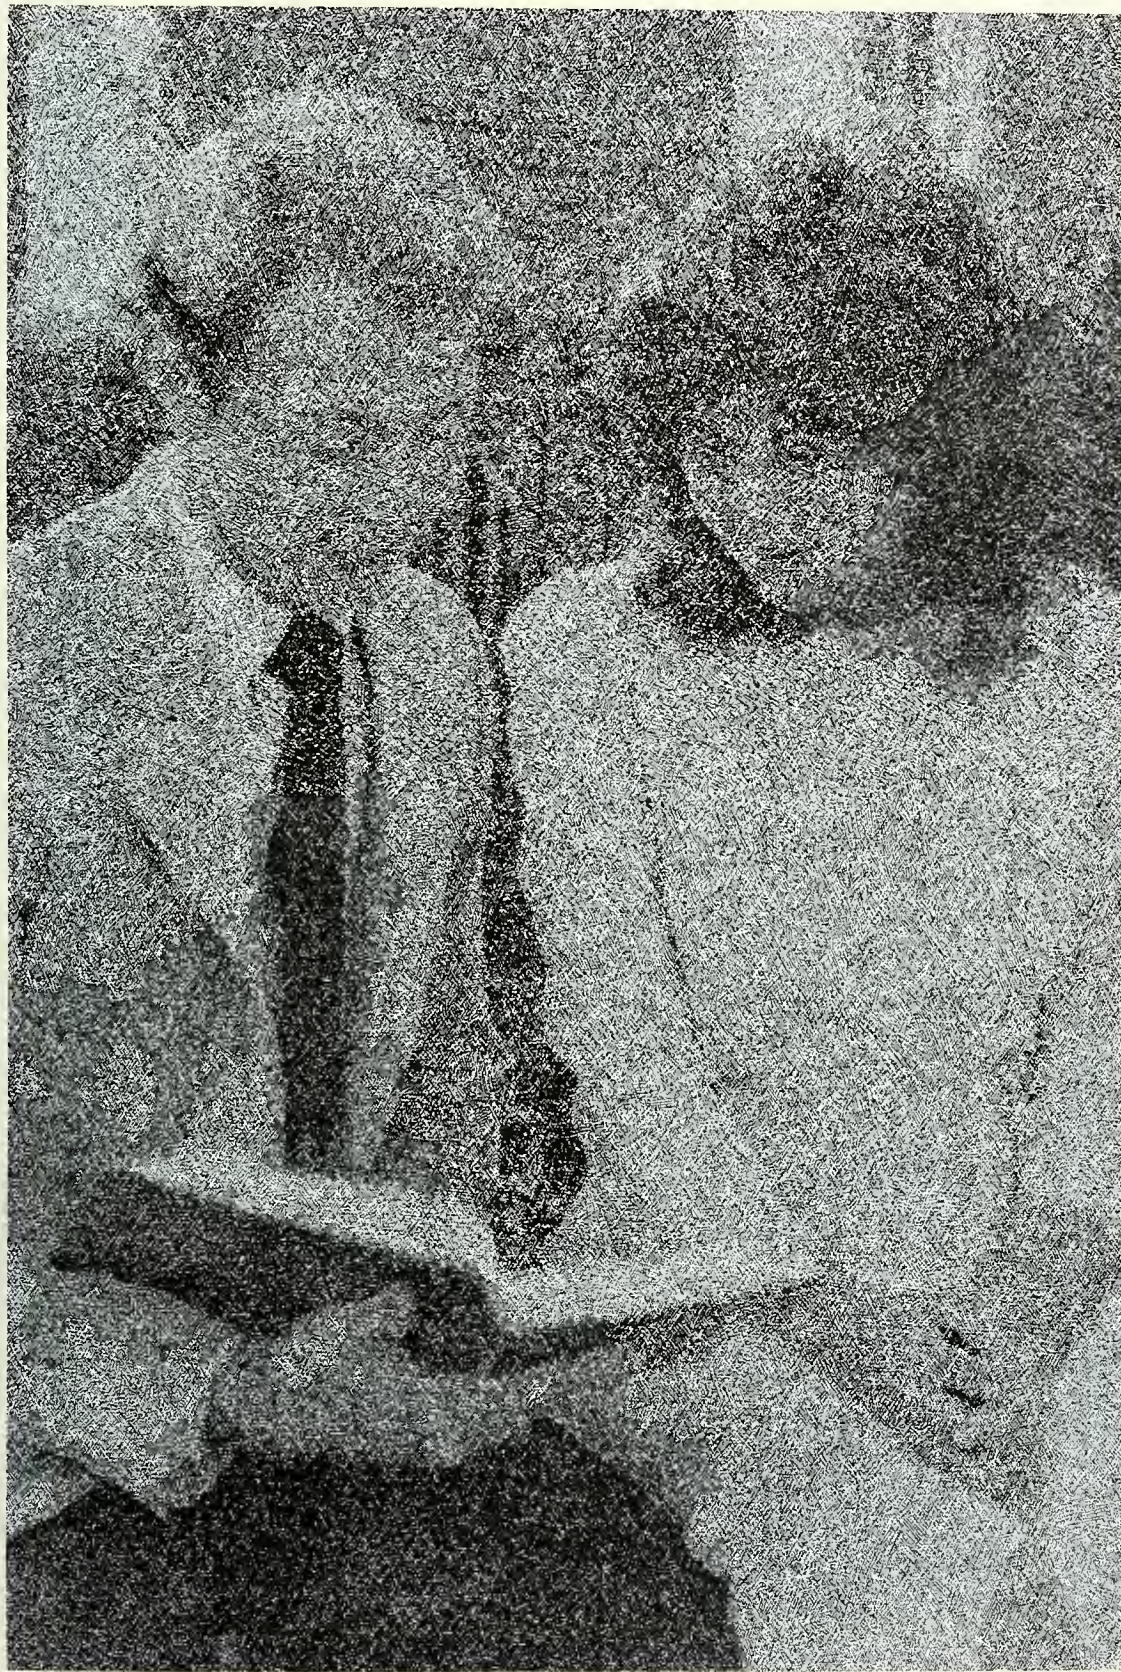

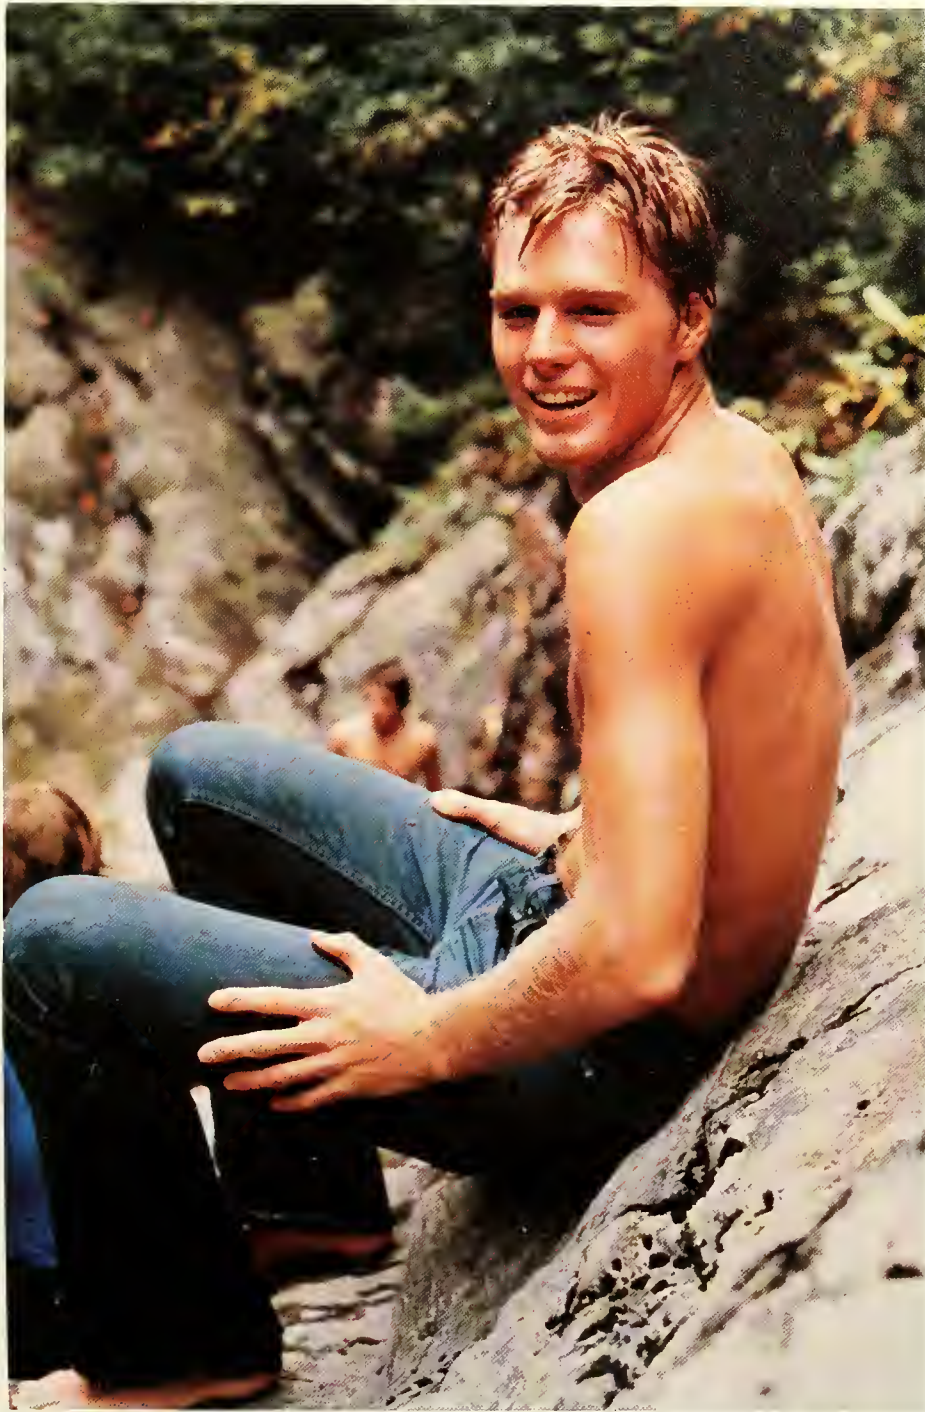

Trusting God for direction
we discover
**a myriad
of
pathways**
and come to realize that
He gives us choice. Praise!

**Loved ones offer wisdom;
prayer and introspection
guide our meandering.**

We delight in sharing;
trudging, leaping, even dancing along the
way, we advance . . .

**... and our God
awaits our
homecoming!
Go forth—
one step at a time.**

**PEOPLE,
Step into the Spotlight**

JUNIORS . . . Class of 1984

As enlightened Juniors we have completed the Humanities Program. After spending the last two years studying the origin of man, we must now look into the future and answer these life sustaining questions:

In ten years from now . . .

- Will Dr. Allen have a pot-belly?
- Will Jerry Aurigema have made his first million in candy machine sales?
- Will Aussie Prof. Ken Dundas be the main supplier of Kangaroo meat to the Milligan Food Service?
- Will Dave Bowyer's hair ever grow back?
- Will we still be pondering the questions "What ever happened to the Human race?"

In conclusion, remembering that warm September day, when four guys lost their hair . . . BUZZ OFF.

A large, dense collage of black and white photographs of students. The photos are of various sizes and shapes, overlapping each other. Some students are smiling, some are looking serious, and some are in action. One student is playing a guitar, another is sitting on a bench, and others are standing or sitting in various poses. The collage is a mix of formal and informal portraits, capturing different moments of student life.

SOPHOMORES . . . Class of 1985

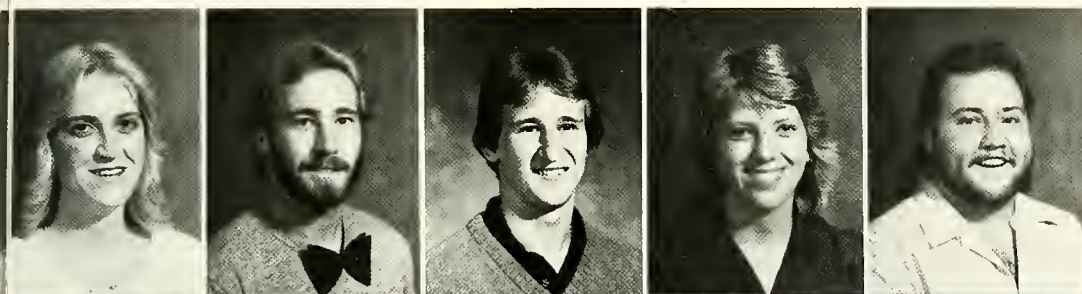

The class of 1985 is alive and vibrant. We have now survived and conquered all obstacles for two years at Milligan College. With the help of our LORD, our professors, our family, and our friends, we will maintain our goals and graduate together in 1985.

We have strengthened our minds, and made many lasting friendships that will be with us all our lives. Thank you Milligan College for the best years of our lives.

Buffalo Cheerleaders

As any one of the Milligan cheerleaders will tell you, cheering is a lot of fun but it also requires a lot of hard work. Many hours of practice went into producing this year's squad of six members. The squad was chosen from sixteen contestants by a panel of four judges and the student body. Tryouts were held just a little over one month before the first basketball game of the season.

This year's squad saw the addition of male cheerleaders which Milligan has not seen in many years. Also, through many fund raisers and donations, the squad was able to purchase new uniforms.

Explode with Enthusiasm!!!

Show Choir Broadens Repertoire

Jubilation Corporation provides a vehicle for the musical-theatre approach to performance for both the secular public and the churches. By combining the best aspects of choral, instrumental, and theatrical performance, it is both an entertainment package and a messenger of God's word. Besides their annual spring concert on campus, Jubilation Corporation performed at the National Church Music Leadership Conference for Christian Churches and at various other concerts on and off campus.

Right: Tosh, Elaine, Cindy, and John have the blues.

Concert Choir Seeks Perfection

The Concert Choir seeks to promote choral excellence and an appreciation of all styles of choral literature. While representing Milligan College, they try to deliver God's message to man through artful music. During spring break, the choir toured Georgia and Florida. Throughout the year they performed a fall concert, at the Christmas vespers service, and at Baccalaureate/Commencement.

Above: Concert Choir throws a Mexican Christmas.

Women's Ensemble Voices Blend in Praise

Front Row: Dr. David Runner—director, Diane Downhour, Lorena Guernsey, Beth Williams, Cindy Miller, Jennifer Kelly, and Kelly Henderson. Row 2: Jnanne Gentry, Loretta Jette, Sheila Pickens, Lisa Pryor, Jan Toon, and Angie Knowles. Row 3: Candy Witcher, Suzie Snyder, Ginny Lowe, Kristi Adams, Renee Elkins, and Jill Wagner. Back Row: Regina Black, Lois Elaman, Laurie Snyder, Kim Jones, Diane Scholey, Debbie Smith, and Karen Sturdevant.

Right: Debbie Smith practices diligently.

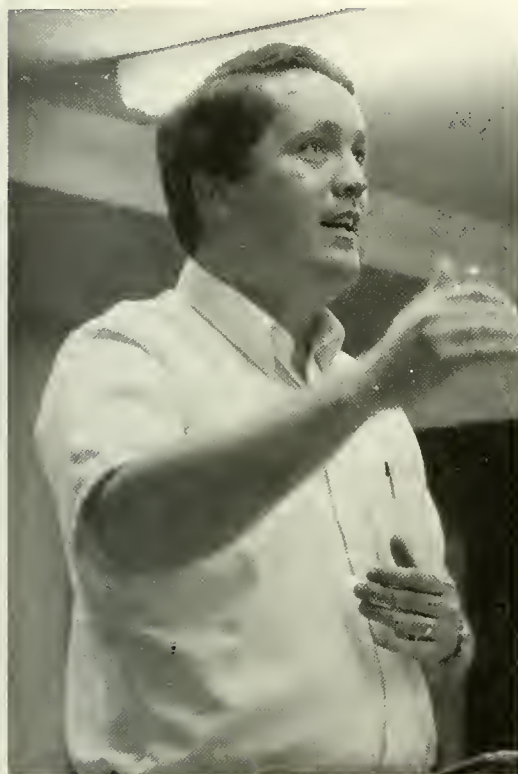

Below right: Diane Downhour, Loretta Jette, and Rhonda Waldrop work on "communicating" their songs.

Female voices composing the Women's Ensemble blended in harmony under the direction of Dr. David Runner, but the group is much more than voices and does much more than sing. The soprano and alto members vary in background as much as they do in vocal range and musical ability. Together, these ladies strive to function as a single unit . . . as they "warm up," learn parts and dynamics, and drill difficult melodies over and over again.

Favorite songs of this year included **Good King Kong**, **The Wiz**, **The Mule Song**, and **Johnny Has Gone for a Soldier**. The concert at the Mall probably won "the concert most likely to be forgotten", and Spring Tour, of course, captures the best of memories. Milligan Men accompanied the Women's Ensemble to Indiana and Kentucky on a four day tour: the experience of sharing with Christian families in their homes and Churches was delightful and rewarding. The transportation was . . . ah . . . well . . . um . . . better than walking!

Small in Number, Big in Heart

Front Row: Gene McCutcheon (accompanist), Rick Raines, Brian Jackson, and Cox DeVries. Back Row: Brian Denning, Chris Robinson (President), Roy Holcomb (Treasurer), and Bob Turner.

The group known as Milligan Men was formed for the purpose of giving men a chance to sing four part harmony in an all male choir. The secondary purpose of the choir is to provide fellowship in Christ and to share the Gospel through song.

Milligan Men, although a small group, has performed during convocation and also for the East Tennessee Republicans. The highlight of the 1982-83 school year was Spring tour with the Women's Ensemble in Kentucky and Indiana. The choir performed songs by Bach and Handel and also performed lighter numbers such as "I Love the Lord" and "Tomorrow."

Above left: Mr. John Wilson enthusiastically directs the men.

Left: Brian Jackson, Rick Raines, Roy Holcomb, Bob Turner, and Brian Denning vocalize in four-part harmony.

Clubs Prepare Members For

S.C.E.C. (Student Council of Exceptional Children) is a branch of the national organization. C.E.C. S.C.E.C. promotes a better understanding of the handicapped child through teaching, helping, and learning situations. Professional contacts are made through guest speakers comprised of college professors, special education teachers, and other specialists in handicapped education.

S.N.E.A. (Student National Education Association) exists at Milligan to provide assurance for those students who are planning to enter into both primary and secondary teaching positions. S.N.E.A.'s aims are providing help to student teachers, acquainting them with teacher organizations: local, state and nation wide, and preparing members for the teaching profession. Highlights at last years meetings were guest speakers from the local area school systems, get togethers, and informative discussion groups.

Taking the name of "Eph-phatha" meaning "Be Opened," interested and concerned students are reaching out to people with their hands and hearts. They propose to sponsor an awareness of the hearing impaired world and support understanding and communication across the barrier of sound.

M.E.N.C. is the organization on campus that helps those students who are music majors and who are also planning on teaching. The club provides numerous opportunities to its members through various kinds of music workshops sponsored by the club. In addition, the club helps music students get to know one another and the music faculty.

STAMPEDE

Caters to All

Through the use of news stories, feature articles, editorials, letters to the editor, and cartoons, the **Stampede** informs the student body and keeps it up to date on campus activities.

This past year the **Stampede** staff published six issues. They covered such events as the World's Fair in Knoxville and even sent a reporter, Greg Mof-fat, to California.

Right: Unknown student and business manager Kathy Rea read a recent issue of the **Stampede**.

Above: Front Row: Mark Hurst, Sylvia Read, Susan True, Cindy Miller, Anita Uebele, Wendy Ward, Kathy Rea, Corri Casatta, Scott Brooks, and Bill Weekly. Back Row: Tom Banks (editor), Greg Moffat, Ty Johnson, and Bryan Coburn.

Buffalo: Long hours . . .

Right: Editor Shara Harbaugh and Lois Elaman work on a spread.

The purpose of the **Buffalo** is to produce a yearbook which encompasses the events—special and day to day—and people of Milligan College. The book is published in cooperation with the faculty, administration, and students. It also allows the students to sharpen their photographic, management, creative, writing, and most of all, time budgeting skills.

The main event of the year was the tedious task of putting together a superb yearbook. A yearbook workshop was held in October by Herff Jones Publishing Co. to familiarize the staff with the task ahead. The staff sold advertising and had picture sales of old photos to raise money for the publishing of the yearbook.

Below right: John Hall, famous for his literary talents, displays his musical talent at the annual **Helicon** concert.

Extreme below right: Candy Witcher and Dave Jones entertain the audience during the concert.

The **Helicon** is both a literary/artistic publication and a concert presented in the spring of any given year. The relationship between the two is revealed in the title of both efforts—**Helicon**, the mountain of the nine muses in classical mythology. Hence, creativity of any flavor was inspired by these goddesses: art, poetry, dance, song, drama, even celesversely, the **Helicon** offers opportunity to any of these aspiring writers, artists, and musicians to reveal their gifts.

Emphasis on originality and quality compose the primary merits required by the staff. Perhaps the most significant contribution that the **Helicon** offers Milligan College is an expose of the creativity and talents which are encouraged at a liberal arts college.

Weekend Offers Fun,

Prospective Student Weekend, 1982, was a great success. Ninety-four students came to visit Milligan and became acquainted with the many opportunities the college offers. During the weekend the prospective students attended such activities as the Founder's Daughter Pageant, the Russ Taff concert, and the movie, *Star Trek II*. They were given the opportunity to attend classes and to talk with members of the faculty. We hope to see these prospective students back next year as Milligan students.

Prospective students were not the only visitors on campus. There were two hundred and thirty-one alumni registered from the classes of '32, '57, '62, '67, '72, '77. The alumni enjoyed such activities as the musical *Tintypes*, the Founder's Daughter Pageant, and an alumni football game against the current all star team. The alumni team was not fortunate enough to defeat the all star team. However, they were victorious in the soccer game against the students. The weekend was brought to a close with the Alumni Luncheon. The Distinguished Alumnus Award was presented to Henry Kegley. The weekend was a time for fellowship and reminiscing for all alumni.

FRESHMEN—THE NEW KIDS IN TOWN

This year the new freshman class came to Milligan with feelings of anticipation and excitement as their first year of college was about to begin.

During freshmen week there were many things to accomplish. There were roommates to meet, parents to say goodbye to, and kangaroo court for those freshmen who were unfortunate and had been tricked into removing their dinks. These freshmen proved to be a valuable addition to the Milligan community.

BUZZ FOR BUCKS

This fall, to raise money for the Junior class, Tim Snyder, Jeff Bourn, and Dave Bowyer had their hair buzzed. Kevin Johnson agreed to have his hair cut into a mohawk when \$400.00 had been raised. As a result of this the Junior class was able to raise a lot of money. Those privileged to buzz the heads of these willing participants were: Chris Riley, Karen Fentress, Becky Sweitzer, and Cheryl Powers.

Christmas in East Tennessee would not be the same without the festivities of Milligan's Madrigal Dinners. Guests' appetites are satisfied by roast beef, Yorkshire pudding, and flaming plum pudding with rum sauce for dessert. During the meal the court jester, strolling minstrels, and the chamber singers entertain the audience with a festive performance.

Let's go to the SUB!!!

The new year brought a new look to the SUB. The interior was remodeled and a game room was added upstairs. The SUB still carries the same necessities: textbooks, supplies for classes, and most important of all—FOOD! Many students also take advantage of the movies shown on the large screen TV three times a week and video games are still a big attraction.

The faithful SUB workers include: Front row: Bill Warrick, Roger Mize, supervisor Jean Mullins, Kim Poteet, and Shara Harbaugh. Middle row: Beth Cauble, Lois King, Missy Smith, Kelley Daniel, and Manager Paul Bader. Back row: John Dobbs and Carlisle Chambers.

The cafeteria is one of the favorite places of socialization on campus. Other than for students to eat meals, the cafeteria hosts banquets for the community. One of the largest is the annual Madrigal Dinner held each year in December. Special nights such as Halloween night, Steak night, and Italian night are a part of the cafeteria's monthly events. The students would like to thank Benny Winn for his extra efforts and his crews for their hard work and expertise.

Traveling Opportunities

The students at Milligan College are offered the opportunity to take part in various interesting trips. The BARF trip allows students to enjoy observing marine life. During Christmas break, Milligan students journeyed to Haiti. These students offered their services to teach and instruct in the orphanage in Por-de-Paix. The trip was a rewarding experience as well as educational. The science club sponsored a trip to Washington D.C. They spent three days at the Nation's Capitol. They visited the memorials of Lincoln, Jefferson, and the Viet Nam War. The students also enjoyed the Humanities tour in which they were able to visit and enjoy different cities in Europe. All of these trips provide students with a chance to broaden their education as well as to have a great time while they travel.

Helicon Concert: Mixture

The rainy evening eased into 8:00 pm, and the concert began. The appreciative audience was small but appropriately rowdy. **Helicon '83**, in the tradition of Helicons past, proved to be a relaxing and memorable event.

Talented alumni Dave Jones, John Meding, and Loren Stuckenbruck graced the spectators with their individual styles of performance. Several student groups and solo acts displayed meaningful showmanship. The Jerk Band (both original and 1983) and Cafeteria Blues Band were crowd pleasers because of their sheerly rowdy satires. Nancy Steinbach, Angie Knowles, Greg Moffat, Dave Jones, and Candy Witcher focused on classic and easy listening favorites. Melissa "Charlie" Hill drew laughs and applause as she acted as the zany mistress of ceremonies.

Festive Banquet Honors Seniors

The decor and atmosphere of the 1983 Junior-Senior Banquet focused on the promise and splendor of "Over the Rainbow". Those who attended the gala event at Emmanuel School of Religion will agree that its polished excellence stemmed directly from the keen organization and efforts of the Junior Class and its President Kenny Sweitzer.

Chicken Cordon Bleu, green beans, and cherry cheesecake pleased participants' appetites while the Hobos entertained. Mr. Eugene Wigginton as master of ceremonies evoked laughter from his audience. After the meal was finished, Jim Pierson's words offered wisdom to the attentive students. The evening drew to a close as Kevin Sethman and Mr. Wigginton presented the Senior Class Superlative awards.

Thanks to faculty servers, junior class committee members, speakers, and all others who assisted with this successful celebration!

WONDERFUL WEDNESDAY

After many weeks of anticipation, Wonderful Wednesday finally arrived. After putting up with cold weather for days, the sky finally cleared and the sun came out. After breakfast the campus was cleaned. Upon completion of this hard work everyone enjoyed a picnic lunch at Anglin. In the afternoon, many students participated in games and races as well as creaking those who were not fortunate enough to get away in time. The day concluded with a country meal in Sutton cafeteria and a square dance in the yard by Hart Hall. Wonderful Wednesday was a wonderful day of fun for all of those who participated.

The weather on Sunday afternoon May 15, 1983 was a perfect indicator of the emotions felt by the graduates who walked across the stage that same day to receive their diplomas. Dark clouds brought intermittent spells of showers but the sun appeared frequently to cast its illuminating spell on the anxious, sad, scared, and joyous cast of graduates. Facial expressions ranged from gigantic smiles, to confused looks, to tear-stained cheeks.

A total of 136 graduates heard Dr. Marcus J. Stewart, a prominent Memphis, Tennessee physician and alumnus of Milligan, deliver the commencement address. But perhaps the most thrilling event of this weekend was when the student walked across the stage, was handed his diploma, and became a graduate—an ALUMNI! These graduates have received the book knowledge to prepare them for a unique future and may God continue to prepare them for the rough spots and joys ahead. Class of 1983—Congratulations! Good Luck! And May God Bless You!!!

Men Show Stamina

Men's Basketball . . .

The Milligan Men's Basketball team was a new one this year. A new coaching staff and new players made this season particularly hard for the Milligan Buffaloes. The pre-season training was as tough as for the professionals and yet the season still was one of repeated loss. However, the men never failed to lose faith and each game was better than the last. Losses were by narrow margins and their determination paid off as they won the first round of the play-offs. Being a new team, the men relied on the guidance of their coach and their practice. The Buffs worked very hard at practice and it showed in the games as their stamina never ceased.

Women's Basketball . . .

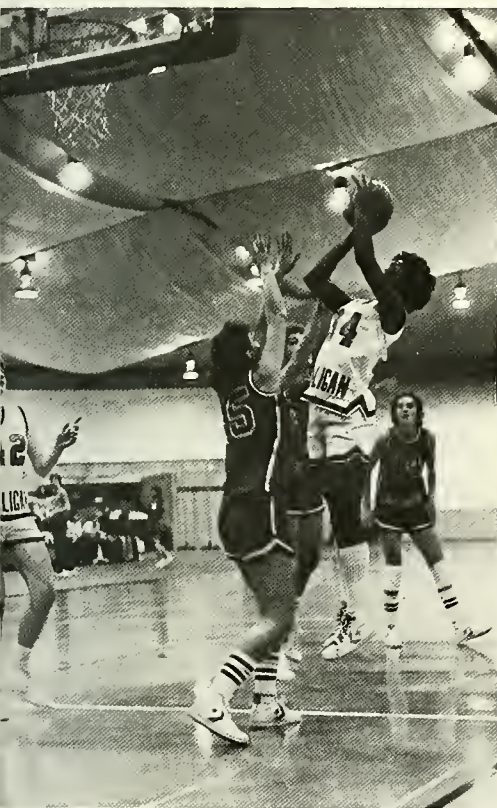

The season for the girl's basketball team was one of victory after victory. They progressed to the finals of the VSAC Conference tournament and were there defeated by Tennessee Wesleyan. The fans were never disappointed with the tremendous display of talent and teamwork shown by the Milligan women. The Milligan Buffs were the team to beat in the conference throughout the season and were respected by all those who met them for competition. The women represented the team, Milligan College, and the student body very well in the 1982-1983 season.

Soccer . . .

The nets came down to close the 1982-1983 soccer season ending it with memories of victory as well as defeat. The Soccer Buffs once again battled lack of funding along with their other opponents. Closing the season with a 2-11 record the Buffs considered their fall play successful. The Milligan Soccer Buffs defeated their number one opponent, Johnson Bible College. They also scored on and lead the game against nationally ranked Tusculum College. The Buffs have only scored on Tusculum once since the beginning of the Milligan Soccer program. As always, the team excelled in sportsmanship on and off the field even in the face of defeat.

Teamwork Counts

Baseball . . .

Coach Ron Reed led the Milligan Baseball team to a second place spot in the conference finals this year. With the final Conference game being rained out, the Buffs were not given the opportunity to achieve a tie for first place. With a young team, the Buffs overcame numerous obstacles to push to great heights in the season. This season, the Buffs had a few superstars, but the team working together as a whole is what made the Buffs the team they became.

Girls Struggle

Softball . . .

This season's weather forecast was RAIN! That was the usual prediction on game day for the Lady Buffs. With rain and a new coach, Joe Lewis (replacing Dr. Pat Bonner) at the helm, the girls put together a 5-15 record for the season. The team was young with only two seniors on the starting ten. Even with a low winning record, the Lady Buffs were outstanding as a quality team and the future holds great promises for the women. As always the women represented the student body with pride as they battled throughout the season.

Women's tennis . . .

The 1983 Women's Tennis team actually existed in the spring despite many obstacles. The budget cuts left no money for a team but with the help of individual donors and clubs and organizations the girls scraped together enough money to have an eleven-match season.

With four returning players, the team had high hopes of having a winning season. This goal was just missed, though, with a final record of 5 wins and 6 losses.

The highlight of the season was the trip to the VSAC Conference tournament in Nashville. Chris Riley used his expert tips to serve as coach and Jack Knowles, Ron Eversole, Tim Dillon, and Rob Gardiner skillfully drove the van and served as coaches on away matches.

Men's tennis . . .

The men's tennis team went through a growing season this year. With basically a new team, the tennis Buffs finished their season with a 2-6 record. The tennis program continued this year after it had been terminated at one time because of budget cuts. The grace and talent of the tennis Buffs was obvious despite their losing season. High hopes and plans for a greater team lie ahead, but as for this year, it was one of challenge and enjoyment for all who participated—spectators as well as players.

Stroke to Victory

With co-captains Anne Stilwell and Ted Pierce, the Milligan Water Buffs had a great 1982-1983 season. Despite tough competition from the University of North Carolina at Ashville and Pfeiffer College, the Buffs ended with a winning record.

The annual Swim-A-Thon in September began the season for the team. Several overnight trips to North Carolina were highlights for the team members.

The team was formed by some very excellent individuals and many records were broken this year. Traci Reel and Margaret Winkler were record breakers for the girls. The men's team was exceptionally strong with new team members Dave Robinson, Steve Cummins, John Smith, Chris Hughston, Jon Nordstrom, and Brent Jasper.

The team is indebted to Dr. Charles Gee and his wife Pam for outstanding coaching and support. They have been sponsors for the Water Buffs for six years and have put a lot of time and effort into the club.

Adventure! Excitement! Fun!

The average student does not participate in inter-collegiate athletics, but rather, they spend their free time playing games, camping, caving, running, etc. What makes these students go through the trouble of biking across Florida over spring break, or camping in the snow and having to walk five miles to town when the car won't start? There can only be one answer. That answer is that we are college students. College students can get away with anything. After all, we have to have some fun stories to tell our grandchildren!

Track Team Lacks Participants

The track and cross country teams felt the pinch of the budget cuts this year. With a roster of minimal runners, the track team participated in only a few meets, including indoor winter track. With little money to support them they did what they had. The cross country team came to a close this past season with a record of no wins. However, the team is growing and plans for a better team with more money in the future. Both teams should be commended for their outstanding efforts with little rewards.

Intramurals Offer Exercise,

The Intramural program at Milligan is designed to meet the needs of the student in an active physical program. The program is organized by an intramural council and the students on this committee make up all the rules and the decisions concerning these rules.

The main activities include football, co-ed flag football, basketball, volleyball, and softball. There are also individual and doubles competitions in such events as tennis, badminton, racquetball, and ping-pong. New activities this year included water polo, bowling, and women's basketball.

 GOD. let the firmament of heaven be shattered. Let the foundations of the earth burst. We cling to Thee. O rock of salvation, for we have dedicated ourselves to Thee, and we believe in Thy word. May our conduct be righteous and kind. May our speech be humble and gracious. May our thoughts be clear and clean. May we, above all, gain Christian wisdom. For each of you, my friends:

This is probably the most difficult letter that I have ever attempted to write. Many times I have written letters to speak my mind while we have been here at Milligan, but only a few times have I ever put a pen to paper in an effort to express my emotion. It has been a continual interest of mine to watch life and understand that it is an endless cycle of end yielding to beginning, and yet one can never seem to find the necessary words to say good-bye to that which is being left behind. If you have ever noticed, it is much easier to say good-bye when you know where your loved one is going and infinitely more difficult when you do not.

So it is the same at Milligan; we are leaving behind so much in the way of people and memories. Memories like the Milligan Mile, matriculation, Freshman week, tests, Humanities, the Junior-Senior Banquet, and graduation. Our years here at Milligan have been short, and yet in four years we have laughed at our classmates and cried at the loss of our loved ones.

I don't know what else I can say as we leave this place that has been our home for these past few years. My hope and prayer for each and every one of you is that you will find what the Lord has planned for your life. I trust that your life has been enriched by your time here, as has mine. I wish you all the best in the years to come and thank you for the joy that I have known as your class president.

I wish to leave you with this passage of scripture. It is especially for you, my classmates,

"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper."

Psalms 1:1-3

May God bless you all,
Kevin S. Sethman

Y

This precious year has led us through many new experiences. With its passing, our united travel must also end. The trodden path to the present has been filled with ABUNDANT life and the JOYS of each other.

**God, our loving father, has
blessed us profoundly in the
companionship we have shared.**

**May He guide your every step.
Goodbye, friend . . .**
